Dear Paula:

Congratulations! The Global EDGE Tech Prep Consortium is pleased to inform you that your proposal for a mini grant was approved by the Executive Board at our meeting on November 11, 2009. We are gratified that your program has exhibited a commitment to the principles of Tech Prep and is seeking ways in which to improve course offerings for students. The Executive Board approved your award for \$1500.00 to purchase the software and license for the SAM 2007 Assessment, Training, and Project for use in your tech prep classes.
